Professional Summary

Artificial Intelligence student with interests in Python, Machine Learning, Artificial Intelligence and Web Development. Passionate about building innovative solutions, AI assistants and robotics projects. Seeking internship opportunities to apply technical skills and gain industry experience.

Education

- B.Tech Artificial Intelligence, Chalapathi Institute of Technology (2024–Present)
- Intermediate (MPC), VJ Junior College, Mangalagiri (2022–2023)
- SSC, Matamc High School, Mangalagiri (2021)

Skills

Python • Artificial Intelligence • Machine Learning • Web Development • GitHub • Problem Solving

Projects

Jarvis Voice Assistant – Voice-controlled AI assistant with automation, security features and smart command execution.

Mochi Robot – AI-based robotics project focused on automation, practical learning and smart control systems.

Certifications

- Cisco Networking Basics
- Introduction to Modern AI
- Cybersecurity Essentials
- NPTEL Certified

Achievements

- Participated in 2 Hackathons
- Built Jarvis Voice Assistant
- Developed Mochi Robot
- Created Personal Portfolio Website

Languages

Telugu, English, Hindi, Urdu, Tamil (Basic)

Career Goal

To build a successful career in Artificial Intelligence, Software Development and Technology-driven roles while continuously learning and contributing to innovative projects.
